The Cause of Class 2013 of the Bulgarian School of Politics "Dimitry Panitza" has already carried out its motto - "More Children for Bulgaria". On 24 May a family with reproductive problems, supported with the funds raised during the 2013 Charity evening, fulfilled their wish for having a child. We wish health and happiness of the newly born twins and their parents! Now we keep our fingers crossed for another family to share this happiness. The goal of Class 2013 is to support families with reproductive problems and with the raised funds to finance in-vitro procedures of families who have not had a chance to be supported by other organizations.
