

Miriam Ott

Miriam Ott works for the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Division for the Cooperation with Central and Eastern European Countries and New Independent States. She is responsible for the cooperation with Eastern EU Member States with regard to climate and energy issues. This cooperation aims at fostering a dialogue and thus improving the mutual understanding of the respective approaches, goals and challenges in the fields of climate and energy, and finding common solutions. Miriam Ott studied Political Science, International Relations and Political Economy in Mannheim and New York and has previously worked for an international NGO in the field of climate policy.
